Prior to 1987, I did not track curated projects. However, between 1977-82, I curated a number of exhibitions for the Atlanta Art Workers Coalition (GA) including *Love Maria* by John Tuturro; solo exhibitions by Maria Artemis, Ruth Laxson, Ken Friedman, Andy Nasisse and an installation project by Vito Acconci. In 1975-76, I assisted with film and concert presentations by a variety of artists including Robert Dick, Phill Niblock, and Joseph Celli at Real Art Ways, Hartford, CT, where I also co-curated *Half Inch Collection*. My first exhibition project was a co-curated presentation of Mail Art entitled *Selected Deposits from the Vaults of the First World Brain Bank*, 1974, Atlanta College of Art (GA).
